something like...

EH Workshop invite
Twenty years ago EPA funded a workshop to consider the nature and value of estuarine habitat that provided the technical basis for a new Water Quality Control Plan. The State is now scheduled to reconsider that plan. Much scientific work has been done that needs to be considered, compared, compiled and consolidated into useful information; that is the goal of a new workshop to which you and 20 others are invited.
???

off to lunch, back at 1
